

PETITION – To amend section 163 of Criminal Code

TO THE HOUSE OF COMMONS OF CANADA

WE THE UNDERSIGNED CITIZENS OF CANADA, draw the attention of the House of Commons to the following:

WHEREAS the internet is an unregulated pipeline for child pornography and child exploitation, and

WHEREAS statistics show that 39% of those that possess child sex abuse materials have images of children between 3 and 5 years old and 83% have images of children between 6-12 being sexually assaulted, and

WHEREAS section 163 of the Criminal Code currently allows sentences of as little as 90 days for making criminal child sex material and 14 days for the possession of criminal sex materials:

THEREFORE, we the undersigned, request Parliament to speedily enact legislation that changes the legal terminology in Section 163 from child pornography to child sex abuse materials and enact strong and mandatory minimum sentences that protect children, provide justice and deter pedophilia.
