

PETITION TO THE HOUSE OF COMMONS
To stop government funding of International Planned Parenthood Federation

WHEREAS: The International Planned Parenthood Federation (IPPF) promotes the establishment of abortion as an international human right, and lobbies aggressively to impose permissive abortion laws on developing nations.

WHEREAS: The IPPF does not support physicians' freedom to practice according to their conscience and/or religious beliefs regarding abortion referral.

WHEREAS: In 2006 the Government of Canada pledged \$18 million to the IPPF over four years through the Canadian International Development Agency (CIDA).

THEREFORE: We, the undersigned residents of Canada, call upon the Government of Canada to stop all funding of International Planned Parenthood Federation.
